## APPLICATIONS AND PROJECTS

.....  
.....  
.....

### TYPE OF CONTACTS LOOKED FOR

#### Raw Materials :

- Thermoplastic Matrix     Thermosetting Plastics Matrix  
 Other Matrix (specify): .....

- Stays or Cares :         Carbon fibers             Fibreglass             Kevlar fibers  
 Shorts fibers             Staples fibers  
 Other stays (specify) : .....

- Other raw materials / precisions : .....

#### Other Composite Materials :

- metal composites         Ceramics  
 Others / Precisions : .....

#### Transformation

|   |   |
|---|---|
| <input type="checkbox"/> Compression SMC/BMC            | <input type="checkbox"/> RTM - Resin Transfer Molding |
| <input type="checkbox"/> Drape forming                  | <input type="checkbox"/> Sandwiches Structures        |
| <input type="checkbox"/> Filament winding               | <input type="checkbox"/> Polymerisation               |
| <input type="checkbox"/> Continuous impregnating        | <input type="checkbox"/> Thermoplastic weldings       |
| <input type="checkbox"/> Vacuum injection               | <input type="checkbox"/> Manufacture – Fabric         |
| <input type="checkbox"/> Contact Molding and projection | <input type="checkbox"/> Others (specify) : .....     |

#### Equipments and process

- Conception et realization of means of production     Equipment  
 Others / Precisions : .....

#### Studies and services

|  |   |
|--|---|
| <input type="checkbox"/> Conception, Research department | <input type="checkbox"/> Materials characterization |
| <input type="checkbox"/> Calculations, sizings           | <input type="checkbox"/> Post-graduates studies     |
| <input type="checkbox"/> Researches and Developments     | <input type="checkbox"/> Training                   |
| <input type="checkbox"/> Control not destructive         | <input type="checkbox"/> Others (specify): .....    |

#### Required certifications or approvals

Please specify: .....

---
